

7th Annual Wizards Academy

Sunday, October 23, 2011
2:00~4:00pm

Visit with wondrous creatures from Animalia, Inc. and explore the science behind your favorite boy wizard's magical world through hands-on experiments!

Michael Cohen, PhD, professor emeritus of Science and Environmental Education at IUPUI, will educate and entertain parents while their young wizards attend classes.

Recommended for grades 3 through 6.

Advance registration is required.

\$6 for children and \$4 for parents.

Family packages are available.

Register at www.imhm.org or call 317-635-7329.
